I may return on site if:

- I do not have a confirmed or suspected COVID-19 infection
- I have had COVID-19, at least 13 days have passed since my first symptoms, and I have been symptom-free for at least three days
- I have not been identified as a COVID-19 close contact
- At least 14 days have passed since I returned from a country/area considered by Switzerland or France as high risk
- I am over 65, pregnant or a person with vulnerabilities regarding COVID-19: my return has been authorised and prepared
What do I need to do before I got on-site?

- Inform myself of the Health and Safety measures at CERN
- Take the CERN COVID-19 safety course
- If I am a newcomer to CERN, fill in the self-declaration form
- Travel responsibly:
  - Prefer individual transport (car or bicycle)
  - Avoid public transport at peak hours
  - Always wear a mask if I am travelling with anyone in a car
What protective measures do I need to take while on-site?

- Keep a physical distance of at least two metres at all times and avoid physical contacts.
- Wear masks indoors and outdoors wherever a physical distance of two metres cannot be ensured (including corridors, cars).
- Wash my hands regularly, with soap and water or use the sanitiser dispensers located in all CERN buildings.
- Regularly clean tools, workstations and utensils.
- Ventilate offices, meeting rooms and workspaces.
